We carry racks and enclosures from a number of manufacturers such as Simpliphi, Outback, and Midnite Solar. Shop our selection to find the one that right for your power system. Pay over time with Affirm.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a SRB10 Battery Cabinet?

The SRB10 Battery Cabinet is an outdoor-rated enclosure that can hold up to 10x SR5K-UL battery modules for a total energy capacity of 50 kWh. The cabinet is outdoor-rated with automatic temperature control. Explore StackRack's modular battery systems for residential, commercial, and utility-scale projects.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
