**What are solar battery storage systems?**

Designed for efficiency and durability, these systems optimise your solar energy use while cutting energy costs. Perfect for day-to-night power transitions, solar battery storage enhances sustainability and convenience.

**What are battery enclosures & cabinets?**

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

**What is a GRP battery & control cabinet?**

Heavy duty road-side type GRP cabinets for housing (sealed gel or agm) batteries and off-grid system control panels. These cabinets feature stainless steel hinges, locks and the option to be fitted with vents. GRP Battery & Control Cabinet - VR1 Roadside type heavy duty GRP cabinet Stainless steel hinges. Secure door locks.

**What is a solar battery box?**

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
