What is an IP67 enclosure?

IP67 enclosures are among the most protective types of electrical enclosures available today, with the ability to act as either indoor or outdoor enclosures, thanks to their durable weatherproof gaskets. Specifying an IP67 enclosure may be the right choice for you if:

Are polycase enclosures IP67 rated?

Polycase's IP67 rated enclosures and boxes provide protection for your electronics in indoor and outdoor applications. Meeting IP67 requirements ensures waterproof enclosures provide security for housing internal components in wet environments.

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.
