What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at le sites, reduce energy consumption, and reduce carbon emissions.

Who is Huijue group?

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid /On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, and eco-friendliness.

Product Description Outdoor energy storage cabinet HJ-SG-C type: This series of products has built-in PCS, EMS, on-grid switching unit, power distribution unit, temperature control system, ...

Energy storage battery cabinet HJ-SG-P type: This series of products integrates battery PACK, BMS system, high voltage box, power distribution unit, temperature control ...
