How do imports work in Mauritania?

From there, they are trucked to wholesalers, distributors, and retailers who distribute them directly to the end users. Large wholesalers, especially those involved in the leading family conglomerates that dominate much of Mauritania's economy, account for the majority of the country's import trade.

Where can I find information about business in Mauritania?

The Employers' Association, the Chamber of Commerce, and the Mauritanian Information Center for Technical and Economic Development maintain lists of business groups and/or individuals and other information useful to companies wishing to do business in Mauritania.

How is direct marketing used in Mauritania?

Direct marketing is on the rise in Mauritania. There are increasingly popular new sources of spreading information to the public, mainly through the internet and mobile technologies. E-commerce and other online websites are also used to advertise products.

Are there advertising agencies in Mauritania?

There are few qualified advertising agencies in Mauritania, although the number of billboards is increasing rapidly in Nouakchott and Nouadhibou, as they are a relatively inexpensive means of advertising. Radio and TV are occasionally used for advertising, but they are quite expensive.
