What is a GoodWe ET 15-30kW hybrid inverter?

By seamlessly integrating GoodWe ET 15-30kW hybrid inverters into the IP55-protected battery cabinet, a compact, easy-to-install, and high-performance turnkey energy storage system is achieved. This powerful combination enables efficient energy backup, peak shaving, and streamlined load management.

What is an outdoor integrated cabinet?

Outdoor integrated cabinet is well suited for power equipment, batteries, telecom gear, all integrated into a robust, economical package. The cabinet contains internal mounting rails, which allow installation of standard 19" equipment. Support custom-made.

What equipment can be installed in a 19 inch cabinet?

The cabinet contains internal mounting rails, which allow installation of standard 19" equipment. Support custom-made. Includes: locking door with air conditioner, 19 inch rackmount rails, floor mount plinth or hardware. Compatibility with all EIA-310 compliant 19" equipment. Front door (or rear door) are grounded to the frame of the enclosure.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.
