Can I buy a generator Cabinet overseas?

Overseas sales are available. Generator Cabin Series: The generator cabinets are designed for general purpose for indoor and outdoor usage (with external /waterproof properties). For different customised generator cabin and container designs with special sizes from 500-2200 kVA contact our company,because it is special manufacture.

What is a generator cabinet?

The generator cabinet is a reservoir that protects the generator motor and cuts off the sound from the motor,also it is a protector from dust,soil,rain,sand,snow and mud.

Are all canopied generators silent?

Not all canopied generators are necessarily silent. Most still produce some level of perceivable noise. However,they don't produce enough to cause long-term damage to your ears. Exposure to noises over 85dB can start to do damage to the tiny hair cells in your inner ears,which will lead to hearing loss over time.

What accessories are included in a generator cabinet?

All accessories are present in set with generator cabinet (locks,hinges,lifting lugsetc.). Overseas sales are available. Generator Cabin Series: The generator cabinets are designed for general purpose for indoor and outdoor usage (with external /waterproof properties).
