Why do customers file a lawsuit against solar companies?

1. Misleading Sales Tactics and Overpromises One of the most significant reasons customers file complaints or lawsuits against solar companies is misleading sales tactics and overpromises made during the sales process.

Why did Tom file a complaint against the solar company?

Feeling deceived, Tom filed a complaint against the solar company, arguing that their representative had misled him into believing all costs would qualify, and considered pursuing legal action to cover the unexpected financial liability.

Who can join the momentum Solar class action lawsuit?

The Momentum Solar class action lawsuit has specific criteria to determine who can join. You must have gotten at least two telemarketing calls from Momentum Solar (or their agents) within a 365-day period between March 5, 2015, and January 2, 2025. The settlement class doesn't allow current and former Momentum Solar customers to participate.

Why did a customer complain about a solar agreement?

Confused by the separate roles of the solar and finance companies, the customer filed complaints and left negative reviews, frustrated by the lack of transparency in the agreement and the higher-than-expected monthly costs. How Cleantech Law Partners Can Help:
