Who are the best solar companies in Delhi NCR?

Rays Power Infra - Known for industrial and commercial solar EPC projects in Delhi NCR with strong engineering capability. Jakson Solar - A legacy energy company providing solar kits, hybrid rooftop systems and reliable nationwide service.

How much does a solar panel cost in Delhi?

Without subsidies, the solar panel price in Delhi varies depending on the capacity, quality, and brand of the panels. Typically, the price of a solar panel system ranges between INR75,000 to INR85,000 per kilowatt(kW), excluding installation charges.

Are solar panels a smart investment in Delhi in 2025?

Delhi is moving fast towards clean energy, and rooftop solar systems are becoming a popular choice for homes and businesses. With rising electricity bills and government support, installing solar panels in 2025 is a smart investment.

How a solar panel subsidy works in Delhi?

When factoring in the subsidy, the solar panel price in Delhi with subsidy becomes much more affordable. In addition to these subsidies, homeowners can take advantage of net metering, a system where surplus energy produced by the solar panels can be sent back to the grid, further reducing energy bills.
